

Dr. Chahin's Practice Year in Review, 2012

Relay For Life, May 2012

For the second year in a row, the practice took part in **RELAY FOR LIFE**, an annual event held in Santa Clarita to help raise funds and bring awareness to various types of cancer. For the second year in a row, we hosted a booth to help raise money for Breast Cancer and Breast Cancer Awareness. We provided informational packets about early cancer detection and spoke with survivors about options for breast cancer reconstruction. We were touched by the outpouring of support from our patients before and even during the event. This year the practice raised nearly \$2000, and we hope to surpass that mark again next year. We shall look forward to this event again next year as we are always honored to take part in such an amazing event.
